

**SAFETY DRILLS FOR 2019-2020 SCHOOL YEAR  
MARQUETTE – ALGER RESA Building 321 E. Ohio Street**

**Public Act 12 of 2014—Safety Drills**

This Public Act revises the number and scheduling of required school safety drills. It went into effect on July 1, 2014. Ten drills will be required each year: five fire drills, two tornado drills and three “lockdown” drills. Schools are also required to develop and implement a cardiac emergency response plan.

The **fire drills** must have reasonable spacing between them and three must be held before Dec. 1; the other two must be held during the remainder of the school year.

The **tornado drills** can be held anytime during the school year as long as one of them is conducted in March.

The **lockdown drills**: one must be held before Dec. 1 and one after Jan. 1.

*Another new requirement is that at least one safety drill must be held during a lunch or recess period or another time when a significant number of students are not in a classroom.*
